30 hours to honor 30 years.

Kickoff starts noon, October 15, 2025

Join us in making a meaningful impact for Brevard neighbors during our 30 in 30 giving initiative – 30 hours to honor 30 years.

Since uniting our local hospitals in 1995, Health First has grown alongside Brevard – expanding access, pioneering lifesaving treatments, and keeping exceptional care close to home. Now, as we celebrate this milestone, we’re building the next 30 years – a future where every neighbor has access to the care they need to heal and live well.

1995 – A new era of care.

We need your help.

Nearly 80,000 adults in Brevard County fall into the coverage gap – earning too much to qualify for Medicaid, yet unable to afford essential care. The Compassionate Care Fund, powered by Guardian Angel Grants, bridges that gap – providing vital support to eligible neighbors so they can focus on healing instead of financial fear.

Because of donors like you, they’re healing.

2025 impact: The Compassionate Care Fund.

-  24,299 miles covered so patients can reach lifesaving treatments.
-  \$6,000 in medical equipment and nutrition support to help patients continue healing outside the hospital.
-  72 Guardian Angel Grants assisting patients with barriers to care.
